

(4) By inserting the following after subsection (a):

"(b) **STUDIES OF AREAS FOR POTENTIAL ADDITION.**—(1) At the beginning of each calendar year, along with the annual budget submission, the Secretary of the Interior shall submit to the Committee on Resources of the House of Representatives and to the Committee on Energy and Natural Resources of the United States Senate a list of areas recommended for study for potential inclusion in the National Park System.

"(2) In developing the list to be submitted under this subsection, the Secretary shall give consideration to those areas that have the greatest potential to meet the established criteria of national significance, suitability, and feasibility. The Secretary shall give special consideration to themes, sites, and resources not already adequately represented in the National Park System.

"(3) No study of the potential of an area for inclusion in the National Park System may be initiated after the date of enactment of this subsection, except as provided by specific authorization of an Act of Congress.

"(4) Nothing in this Act shall limit the authority of the National Park Service to conduct preliminary resource assessments, gather data on potential study areas, provide technical and planning assistance, prepare or process nominations for administrative designations, update previous studies, or complete reconnaissance surveys of individual areas requiring a total expenditure of less than \$25,000.

"(5) Nothing in this section shall be construed to apply to or to affect or alter the study of any river segment for potential addition to the national wild and scenic rivers system or to apply to or to affect or alter the study of any trail for potential addition to the national trails system.

"(c) **REPORT.**—(1) The Secretary of the Interior shall complete the study for each area for potential inclusion in the National Park System within 3 complete fiscal years following the date of enactment of specific legislation providing for the study of such area. Each study under this section shall be prepared with appropriate opportunity for public involvement, including at least one public meeting in the vicinity of the area under study, and after reasonable efforts to notify potentially affected landowners and State and local governments.

"(2) In conducting the study, the Secretary shall consider whether the area under study—

"(A) possesses nationally significant natural or cultural resources and represents one of the most important examples of a particular resource type in the country; and

"(B) is a suitable and feasible addition to the system.

"(3) Each study—

"(A) shall consider the following factors with regard to the area being studied—

"(i) the rarity and integrity of the resources;

"(ii) the threats to those resources;

"(iii) similar resources are already protected in the National Park System or in other public or private ownership;

"(iv) the public use potential;

"(v) the interpretive and educational potential;

"(vi) costs associated with acquisition, development and operation;

"(vii) the socioeconomic impacts of any designation;

"(viii) the level of local and general public support, and

"(ix) whether the area is of appropriate configuration to ensure long-term resource protection and visitor use;

"(B) shall consider whether direct National Park Service management or alternative protection by other public agencies or the private sector is appropriate for the area;

"(C) shall identify what alternative or combination of alternatives would in the professional judgment of the Director of the National Park Service be most effective and efficient in

protecting significant resources and providing for public enjoyment; and

"(D) may include any other information which the Secretary deems to be relevant.

"(4) Each study shall be completed in compliance with the National Environmental Policy Act of 1969.

"(5) The letter transmitting each completed study to Congress shall contain a recommendation regarding the Secretary's preferred management option for the area.

"(d) **LIST OF AREAS.**—At the beginning of each calendar year, along with the annual budget submission, the Secretary of the Interior shall submit to the Committee on Resources of the House of Representatives and to the Committee on Energy and Natural Resources of the United States Senate a list of areas which have been previously studied which contain primarily historical resources, and a list of areas which have been previously studied which contain primarily natural resources, in numerical order of priority for addition to the National Park System. In developing the lists, the Secretary should consider threats to resource values, cost escalation factors, and other factors listed in subsection (c) of this section. The Secretary should only include on the lists areas for which the supporting data is current and accurate."

(5) By adding at the end of subsection (e) (as designated by paragraph (3) of this section) the following: "For carrying out subsections (b) through (d) there are authorized to be appropriated \$2,000,000."

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from North Carolina (Mr. JONES) and the gentleman from American Samoa (Mr. FALEOMAVAEGA) each will control 20 minutes.

The Chair recognizes the gentleman from North Carolina (Mr. JONES).

Mr. JONES. Mr. Speaker, I yield myself such time as I may consume.

(Mr. JONES asked and was given permission to revise and extend his remarks.)

Mr. JONES. Mr. Speaker, H.R. 1728 is a bill introduced by the gentleman from Colorado (Mr. HEFLEY). The gentleman from Colorado is to be commended for the hard work he has done to craft a bill that addresses needed changes in current law dealing with how new units are added to the National Park System.

H.R. 1728 provides for the development of a plan and a management review of the National Park System to reform the current process by which areas are considered for addition to the National Park System. The bill would assist the National Park Service in planning for the future of the National Park System and provide a structured process to ensure that the Congress considers only the most worthy nationally important sites for inclusion in any expansion of the National Park System.

Mr. Speaker, this is an important bill, and H.R. 1728 provides a better way to include worthy areas into the park system. I urge my colleagues to support H.R. 1728.

Mr. Speaker, I reserve the balance of my time.

Mr. FALEOMAVAEGA. Mr. Speaker, I yield myself such time as I may consume.

(Mr. FALEOMAVAEGA asked and was given permission to revise and extend his remarks.)

Mr. FALEOMAVAEGA. Mr. Speaker, H.R. 1728 establishes new procedures by which potential new additions to the National Park System are studied. The bill is identical to the language in title II of H.R. 260 from the 104th Congress.

The administration and other interested parties are in general support of putting in place new procedures for the study of potential additions to the National Park System. These new procedures make a lot of sense to me. They will improve the quality of information we have on potential additions to the National Park System, as well as help prioritize our consideration of such additions.

With the minor changes to the bill that were made by the Committee on Resources, I think the House should give the bill its unqualified support. I urge my colleagues to adopt this proposed bill.

Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. JONES. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from North Carolina (Mr. JONES) that the House suspend the rules and pass the bill, H.R. 1728, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

GENERAL LEAVE

Mr. JONES. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 1728, the bill just passed.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

AUTHORIZING EXPANSION OF FORT DAVIS NATIONAL HISTORIC SITE

Mr. JONES. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 3047) to authorize expansion of Fort Davis National Historic Site in Fort Davis, Texas, by 16 acres.

The Clerk read as follows:

H.R. 3047

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. EXPANSION OF FORT DAVIS HISTORIC SITE, FORT DAVIS, TEXAS.

The Act entitled "An Act Authorizing the establishment of a national historic site at Fort Davis, Jeff Davis County, Texas", approved September 8, 1961 (75 Stat. 488; 16 U.S.C. 461 note), is amended in the first section by striking "not to exceed four hundred and sixty acres" and inserting "not to exceed 476 acres".

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from North Carolina (Mr. JONES) and the

gentleman from American Samoa (Mr. FALEOMAVAEGA) each will control 20 minutes.

The Chair recognizes the gentleman from North Carolina (Mr. JONES).

Mr. JONES. Mr. Speaker, I yield myself such time as I may consume.

(Mr. JONES asked and was given permission to revise and extend his remarks.)

Mr. JONES. Mr. Speaker, H.R. 3047 is a bill introduced by the gentleman from Texas (Mr. BONILLA). The gentleman from Texas has worked hard on this bill which addresses an important historical site in Texas.

H.R. 3047 would authorize the expansion of Fort Davis National Historic Site by 16 acres by increasing the "not to exceed" acreage clause in the current enabling legislation which prevents the historical site from expanding. The acreage to be acquired is needed to protect the site's historic setting and viewshed. Of particular note, no federally appropriated funds are requested for this land acquisition.

I strongly urge my colleagues to support passage of H.R. 3047.

Mr. Speaker, I reserve the balance of my time.

Mr. FALEOMAVAEGA. Mr. Speaker, I yield myself such time as I may consume.

(Mr. FALEOMAVAEGA asked and was given permission to revise and extend his remarks.)

Mr. FALEOMAVAEGA. Mr. Speaker, this proposed legislation now before us was introduced by the gentleman from Texas (Mr. BONILLA). The bill, H.R. 3047, authorizes the addition of 16 acres to the Fort Davis National Historic Site in Texas.

This is a measure that the National Park Service testified in favor of at the hearing that was held before our Subcommittee on National Parks and Public Lands. I understand that the 16 acres in question is being acquired by a third party and will be donated to the park once the necessary authorization is received.

Mr. Speaker, I support the passage of this legislation and I urge my colleagues to do likewise.

Mr. BONILLA. Mr. Speaker, I rise in support of this legislation. I would like to thank Chairman YOUNG for his cooperation and assistance in moving this bill through his committee.

Fort Davis is located in the heart of West Texas, nestled in an area that is very scenic in its own rough and rugged way. I am very proud to represent this area, and I would invite my colleagues to visit the area to see the beauty for yourself.

The fort was a key post in the defense of West Texas and thus played a major role in this region's history. From 1854 to 1891, troops at the post guarded immigrants, freighters and stagecoaches on the San Antonio-El Paso road. Fort Davis is the best remaining example in the Southwest of the typical post-Civil War frontier fort. The post has extensive surviving structures and ruins.

My bill would permit a simple 16 acre expansion of the historical site. This legislation is necessary because the original legislation limited the historic site to 460 acres.

The particular parcel of land that would be added to the site is known as Sleeping Lion Mountain. This land overlooks the park's historic landmarks. The land is slated to be donated to the National Park Service by the Conservation Fund. The land has been purchased by the Conservation Fund. They secured the funds from several private foundations to purchase the land. The purchase of the land was completed in April and they are simply waiting for us to act.

The tract is adjacent to the fort's southern boundary and I believe that the inclusion of this tract of land into the site would ensure the visual and historic integrity for this state and national treasure.

This park expansion has the blessing of the local community and is also supported by the Texas Historical Commission. As you can see this is a simple piece of legislation to allow for a minor park expansion. This would allow us to preserve a very important piece of our heritage and history in West Texas.

Mr. FALEOMAVAEGA. Mr. Speaker, I yield back the balance of my time.

Mr. JONES. Mr. Speaker, I have no requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from North Carolina (Mr. JONES) that the House suspend the rules and pass the bill, H.R. 3047.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

GENERAL LEAVE

Mr. JONES. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 3047, the bill just passed.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

□ 1415

LAND CONVEYANCE IN CARSON AND SANTA FE NATIONAL FORESTS, NEW MEXICO

Mr. JONES. Mr. Speaker, I move to suspend the rules and concur in the Senate amendment to the bill (H.R. 434) to provide for the conveyance of small parcels of land in the Carson National Forest and the Santa Fe National Forest, New Mexico, to the village of El Rito and the town of Jemez Springs, New Mexico.

The Clerk read as follows:

Senate amendment:

Strike out all after the enacting clause and insert:

SECTION 1. LAND CONVEYANCE, SANTA FE NATIONAL FOREST, NEW MEXICO.

(a) CONVEYANCE OF PROPERTY.—Within 60 days of enactment of this Act, the Secretary of Agriculture (herein "the Secretary") shall convey to the town of Jemez Springs, New Mexico, subject to the terms and conditions under sub-

section (c), all right, title, and interest of the United States in and to a parcel of real property (including any improvements on the land) consisting of approximately one acre located in the Santa Fe National Forest in Sandoval County, New Mexico.

(b) DESCRIPTION OF PROPERTY.—The exact acreage and legal description of the real property conveyed under subsection (a) shall be determined by a survey satisfactory to the Secretary. The cost of the survey shall be borne by the town of Jemez Springs.

(c) TERMS AND CONDITIONS.—

(1) Notwithstanding exceptions of application under the Recreation and Public Purposes Act (43 U.S.C. 869(c)), consideration for the conveyance described in subsection (a) shall be—

(A) an amount that is consistent with the Bureau of Land Management special pricing program for Governmental entities under the Recreation and Public Purposes Act; and,

(B) an agreement between the Secretary and the town of Jemez Springs indemnifying the Government of the United States from all liability of the Government that arises from the property.

(2) The lands conveyed by this Act shall be used for the purposes of construction and operation of a fire substation. If such lands cease to be used for such purposes, at the option of the United States, such lands will revert to the United States.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from North Carolina (Mr. JONES) and the gentleman from American Samoa (Mr. FALEOMAVAEGA) each will control 20 minutes.

The Chair recognizes the gentleman from North Carolina (Mr. JONES).

Mr. JONES. Mr. Speaker, I yield myself such time as I may consume.

(Mr. JONES asked and was given permission to revise and extend his remarks.)

Mr. JONES. Mr. Speaker, H.R. 434, introduced by former Congressman Bill Richardson, the current Ambassador to the United Nations, would revise a land conveyance from the Forest Service to Jemez Springs, New Mexico. I support the desire of the gentleman from New Mexico (Mr. REDMOND) to see that Jemez Springs attains one acre of land within the town in order to construct a fire substation.

It is my understanding that in 1993 the Jemez National Recreation Area was carved out of the Santa Fe National Forest. This transformed Jemez Springs from an obscure little village located in the Santa Fe National Forest to a little community hosting over 1 million visitors annually. I applaud Jemez Springs for cooperating and assisting the Forest Service in answering the numerous fire calls throughout the area. Without much imagination my colleagues can see how such increased activities would cause significant problems for any community.

The Senate amended and passed H.R. 434 by unanimous consent. I urge my colleagues to support H.R. 434.

Mr. Speaker, I reserve the balance of my time.

Mr. FALEOMAVAEGA. Mr. Speaker, I yield myself such time as I may consume.

(Mr. FALEOMAVAEGA asked and was given permission to revise and extend his remarks.)
